Below are some “**Common Errors**” that have been reported by JBER Passport Agents. Please pay close attention to these areas to prevent the passport agent from being unable to accept your application.

- **ALL** information must be filled in to include optional items; these items are needed by the passport agent to complete their portion of your application such as: Middle Name, Suffix (if applicable), Email Address, and Phone Number.
Occupation example: Military, Homemaker, Student, Child, etc.
Employer or School example: USAF, Self-Employed, University of Alaska, etc.
- The mailing address **MUST** be the below address and **MUST** be filled out as follows:
Street Address 1 - 8517 20th Street
Street Address 2 - Suite 111

“Is This Your Permanent Address?” Mark “No” and fill in your **PHYSICAL** address, mailing addresses cannot be accepted.
- In the “Travel Plans” section, you **MUST** be traveling to a country that requires you to have a passport per the Foreign Clearance Guide (<https://www.fcg.pentagon.mil/>). Passport Agents **CANNOT** process your application if this section is blank.
- In the “Who should we contact in case of an emergency?” section, you must list a person and their contact information but **NOT** yourself. Your spouse, parents, sibling, etc are acceptable.
- In the “Your Most Recent Passport” section, “Have you have ever been issued any of the following?” you must mark “None” **UNLESS** you have/previously had an Official/No-Fee Passport. If you list your tourist passport book/card information your form will be incorrect and the passport agent will not be able to accept your application. Official/No-Fee Passports must be submitted with application.
- In the “Parent & Spouse Information” section, when listing your parent’s information, it **MUST** exactly match your birth certificate to include complete First, Middle, and Last Name. You **MUST** list your mother’s maiden name in the block “Last Name (at Parent’s Birth).” You **MUST** list Date of Birth and Place of Birth for both parents.
- In the “Are you known by other names?” section, only list previous official names such as a maiden name, **DO NOT** list nicknames.
- In the “Passport Application Review” section, please review and edit any mistakes. You **CANNOT** make pen & ink changes to the application.
- In the “Passport Products and Fees” section, select Passport Book (**DO NOT** select 52 Page Book), select Routine Service (default), and select Standard Delivery (default). The total cost is \$135 but do not worry, you **WILL NOT** have to pay anything or enter any credit card information.
- In the “Next Steps” section, select that you have read and acknowledge the steps and information contained above, select Create Form, and print pages 5 & 6 of the application on separate sheets of paper (not back-to-back). Ensure there is a bar code on the top left of page 5 and ensure that your printer has enough toner (applications that do not have a bar code or are not printed legibly cannot be accepted).
